Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 26 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy and colder with wintry showers tonight.

This Evening and Tonight:
During the evening and overnight blustery showers at times heavy and wintry, will move in from the west with clearer spells between. Some snow is likely over high ground along with a risk of some icy stretches. Minimum temperature -1 deg C (30 deg F).

Saturday:
A cold start with the chance of some local icy surfaces. Sunny spells through the morning with the odd shower. Turning increasingly cloudy after midday with outbreaks of rain later. Maximum temperature 10 deg C (50 deg F).

Outlook for Sunday to Tuesday:
Windy into Sunday with spells of rain, at times heavy and persistent over high ground in the north. Drier on Monday and Tuesday with sunny spells and turning warmer.
